Coming from the Autobahn, you turn into the Rheinstrasse until you reach the "Kennedy Platz" Here you turn left into the "Kasinostrasse" which will bring you to the incinerating plant. Go on the next larger inter section. There you turn right into the "Frankfurter Strasse". The second street to your right ist the "Emilstrasse". We are located in house number 21, directly at the "Victoria Platz" (corner house).

Have a safe trip!
